**TOWNSHIP OF NORTH BERGEN  
HUDSON COUNTY, NEW JERSEY**

**AN ORDINANCE AMENDING PRIOR ORDINANCES  
REGULATING RESTRICTED PARKING ZONES FOR  
PERSONS WITH DISABILITIES**

**BE IT ORDAINED BY THE BOARD OF COMMISSIONERS OF THE  
TOWNSHIP OF NORTH BERGEN that:**

**Section 1: Background & Findings**

- A. The Township of North Bergen ("Township") has adopted prior ordinances regulating restricted parking zones for persons with disabilities, including the establishment of a Handicapped Parking Board of Review. Said prior Ordinances include Nos. 507-93, 503-93 and 136-86.
- B. Given the frequency with which applications are filed for restricted parking zones for persons with disabilities, the complexity of issues to be determined, and the necessity to make prompt determinations, the Board of Commissioners finds that it would be more efficient and effective to have a committee review such applications and make recommendations to the Board of Commissioners as to whether restricted parking zones should be established.

**Section 2: Committee Established and Function**

- A. In place of the Handicapped Parking Review Board, there is hereby established a committee to review applications for restricted parking zones for persons with disabilities in accordance with N.J.S.A. 39:4-197.6.
- B. The committee shall be comprised of the following:
  - 1. The Deputy Director of Public Safety, or his/her designee;
  - 2. The Chief of Police, or his/her designee;
  - 3. The investigator who primarily researched a particular application.
- C. The Deputy Director of Public Safety shall be the Chair of the committee.
- D. The committee shall review applications for restricted parking zones for persons with disabilities, including all research and information gathered by investigators, medical opinions and the proposed location.
- E. While no formal meetings are required, the committee members shall confer with each other as to whether applications for restricted parking zones satisfy the criteria set forth in Ordinance 503-93. If the committee determines the criteria is satisfied, it may recommend to the Board of Commissioners that a restricted parking zone for a person with a disability be established. If there is a disagreement among the committee members, a majority shall control.
- F. The committee may refer applicants for an examination by a physician hired by the Township to provide opinions as to whether applicants qualify for restricted parking zones, as provided in Ordinance 503-93.
- G. The committee shall fulfill all other functions previously fulfilled by the Handicapped Parking Review Board.
- H. The Township Administrator and committee Chair shall consult, and determine the necessary resources and employees required for the review of applications and the operations of the committee. Based on their determinations, the Township Administrator shall coordinate with the applicable Department Directors to provide the necessary resources and employees.

**Section 3: Severability**

If any part or parts of this Ordinance are for any reason held to be invalid, such holding shall not affect the validity of the remaining portions of this Ordinance.

**Section 4: Repealer**

All ordinances or parts of ordinances inconsistent with this Ordinance are hereby repealed as to the inconsistency thereof.

AN ORDINANCE RESTRICTING STREET CLOSURES DURING  
DATES ON WHICH ELECTIONS ARE HELD**

**BE IT ORDAINED BY THE BOARD OF COMMISSIONERS OF  
THE TOWNSHIP OF NORTH BERGEN that:**

**Section 1: Background & Findings**

The Board of Commissioners of the Township of North Bergen find that the closure of streets on the dates of election for utility repairs, street excavations and other non-emergency work have interfered with the ability of citizens to travel to the polls to vote. In order to protect citizens' ability to participate in Township elections, the Board of Commissioners find it necessary to restrict street closures for such repairs, utility work and excavations on dates on which elections are held during the hours which polls are open.

**Section 2: Prohibited Conduct**

A. No person, including public utilities, shall close any portion of any public street or perform any work within the public right-of-way of such streets, including street openings, excavations, overhead wire work, paving, etc., on any day on which an election is held within the Township of North Bergen during any time when the polls are open, including school board elections, municipal elections, primary elections, general elections or special elections, except in the case of bona-fide emergencies where any postponement of such work causes a danger to the public's health, safety and welfare. In the event of any such claimed emergency, any person, including public utilities, desiring to perform such work resulting in the closing of any portion of a public street within the Township of North Bergen, shall first notify the North Bergen Police Department of the work to be performed, the location thereof, the duration of such work, the nature of the emergency and why such work cannot be postponed. Before proceeding with such work, any such person, including a public utility must first obtain a permit from the Police Chief or his designee authorizing such work to proceed and shall comply with any conditions contained in such permit.

B. Nothing herein shall be interpreted to nullify any other permits or authorizations that may be required to perform work within the public right-of-way, including street openings, excavations, overhead wire work, paving, etc.

**Section 3: Severability**

If any part or parts of this Ordinance are for any reason held to be invalid, such holding shall not affect the validity of the remaining portions of this Ordinance.

**Section 4: Repealer**

All ordinances or parts of ordinances inconsistent with this Ordinance are hereby repealed as to the inconsistency thereof.

**Section 5: Penalty**

Any person, corporation or other entity violating any provision of this ordinance shall, for each such offense and upon conviction thereof, be subject to a minimum penalty of a fine of \$500 and one or more of the following: a

maximum fine not exceeding \$2,000, or imprisonment for a term not exceeding ninety (90) days, or by a period of community service not exceeding ninety (90) days. Each day any violation of this ordinance shall continue shall constitute a separate offense. Any person who is convicted of violating this ordinance within one year of the date of a previous violation of this same ordinance and who was fined for the previous violation, shall be sentenced by a court to an additional fine as a repeat offender. The additional fine imposed by the court upon a person for a repeated offense shall not be less than the minimum or exceed the maximum fine fixed for a violation of the ordinance, but shall be calculated separately from the fine imposed for the violation of the ordinance.

**BE IT ORDAINED BY THE BOARD OF COMMISSIONERS OF
