**TOWNSHIP OF NORTH BERGEN  
HUDSON COUNTY, NEW JERSEY**

**AN AMENDED ORDINANCE PROVIDING FOR THE ZONING AND  
REGULATION OF CANNABIS PURSUANT TO THE NEW JERSEY  
CANNABIS REGULATORY, ENFORCEMENT ASSISTANCE, AND  
MARKETPLACE MODERNIZATION ACT, PL 2021, C. 16**

**BE IT ORDAINED BY THE COMMISSIONERS OF THE TOWNSHIP OF  
NORTH BERGEN, as follows:**

**Section 1.   Background and Findings**

A.     In 2020 New Jersey voters approved Public Question No. 1, which amended the State of New Jersey Constitution to allow for the legalization of a controlled form of marijuana called “cannabis” for adults at least 21 years of age.

B.     Public Question No. 1 was approved by the voters of the Township by a margin of 12,624 in favor and 7,144 opposed.

C.     On February 22, 2021, Governor Murphy signed into law P.L. 2021, c.16, known as the “New Jersey Cannabis Regulatory, Enforcement Assistance, and Marketplace Modernization Act” (the “Act”), which legalizes the recreational use of marijuana by adults 21 years of age or older, and establishes a comprehensive regulatory and licensing scheme for commercial recreational (adult use) cannabis operations, use and possession.

D.     The Act establishes six marketplace classes of licensed businesses, consisting of:

1. Class 1 Cannabis Cultivator license, for facilities involved in growing and cultivating cannabis;
2. Class 2 Cannabis Manufacturer license, for facilities involved in the manufacturing, preparation, and packaging of cannabis items;
3. Class 3 Cannabis Wholesaler license, for facilities involved in obtaining and selling cannabis items for later resale by other licensees;
4. Class 4 Cannabis Distributor license, for businesses involved in transporting cannabis plants in bulk from one licensed cultivator to another licensed cultivator, or cannabis items in bulk from any type of licensed cannabis business to another;
5. Class 5 Cannabis Retailer license for locations at which cannabis items and related supplies are sold to consumers; and
6. Class 6 Cannabis Delivery license, for businesses providing courier services for consumer purchases that are fulfilled by a licensed cannabis retailer in order to make deliveries of the purchased items to a consumer, and which service would include the ability of a consumer to make a purchase directly through the cannabis delivery service which would be presented by the delivery service for fulfillment by a retailer and then delivered to a consumer.

E.     Section 3 of the Act defines a “cannabis establishment” as “a cannabis cultivator, a cannabis manufacturer, a cannabis wholesaler, or a cannabis retailer”.

F.     Section 31a of the Act authorizes municipalities to adopt by ordinance regulations governing the number of (1) cannabis establishments, (2) cannabis distributors

and (3) cannabis delivery services, except for the delivery of cannabis items and related supplies by a cannabis delivery service based and initiated from outside of the municipality.

G. Section 31a of the Act also authorizes municipalities to adopt by ordinance regulations governing the local licensing endorsement, location, manner and times of operation of cannabis establishments and cannabis distributors, and the location and manner of cannabis delivery services, and establishing civil penalties for the violation of any such regulations.

H. Section 31b of the Act authorizes municipalities to prohibit by ordinance the operation of any one or more classes of cannabis establishments, distributors, or delivery services anywhere in the municipality, except for the delivery of cannabis items and related supplies by a delivery service based and initiated from outside of the municipality.

I. Section 31b of the Act stipulates that any municipal regulation or prohibition must be adopted within 180 days of the effective date of the Act (i.e., by August 21, 2021). The failure to do so shall mean that for a period of five years thereafter, the growing, cultivating, manufacturing, selling and reselling of cannabis and cannabis items shall be permitted uses in all industrial zones, and the retail selling of cannabis items to consumers shall be a conditional use in all commercial and retail zones. At the conclusion of the initial and any subsequent five-year period following a failure to enact local regulations or prohibitions, the municipality shall again, in 2026, have 180 days to adopt an ordinance regulating or prohibiting cannabis businesses, but any such ordinance would be prospective only and would not apply to any cannabis business already operating with appropriate approvals within the municipality.

J. Section 40 of the Act permits a municipality to adopt an ordinance imposing a transfer tax on the sale of cannabis or cannabis items by a cannabis establishment that is located in the municipality on receipts from the sale of cannabis by a cannabis cultivator to another cannabis cultivator; receipts from the sale of cannabis items from one cannabis establishment to another cannabis establishment; receipts from the retail sales of cannabis items by a cannabis retailer to retail consumers who are 21 years of age or older; or any combination thereof and to set its own rate or rates, but in no case exceeding: two percent of the receipts from each sale by a cannabis cultivator; two percent of the receipts from each sale by a cannabis manufacturer; one percent of the receipts from each sale by a cannabis wholesaler; and two percent of the receipts from each sale by a cannabis retailer.

K. The Township has determined that it will allow all classes of business licenses set forth above, except cannabis delivery licenses. The Township will also prohibit cannabis consumption areas.

L. Due to the oversight and additional demands on public resources, the Township will require payment of municipal taxes to the maximum extent permissible under State law.

M. On July 21, 2021, the Township adopted an Ordinance entitled "An Ordinance Providing for the Zoning and Regulation of Cannabis Pursuant to the New

Jersey Cannabis Regulatory, Enforcement Assistance, and Marketplace Modernization Act, P.L. 2021, c. 16" (the "July 2021 Cannabis Ordinance"). This amended Ordinance amends the July 2021 Cannabis Ordinance to (1) set forth specific provisions for cannabis microbusinesses; (2) set additional limits on the number of cannabis businesses in the Township; (3) include medical cannabis related businesses within various requirements of the Ordinance; and (4) provide additional factors to be considered by the Cannabis Committee in evaluating cannabis business applications.
